

CB-Radio

 **AE 4200 EU**

**NEW! Multi-Standard
for all of Europe!**

► Ord.-No.: 12012

These features will excite every CB user:
The large LED channel display and the TX/FM indicators are clearly visible. By activating the automatic squelch (ASQ) there is no need to adjust the noise threshold, in most cases. The EEPROM function and the country switch complete this easy to use CB radio.
